

**Your trusted partner
for kitting solutions.**

UPE

UNITED PACIFIC ELECTRONICS

The UPE Solution

UPE provides comprehensive kitting solutions to businesses—from start-ups to Fortune 500 companies. We specialize in assembling complex BOMs (Bill of Materials) into production-ready kits, streamlining the process and saving you valuable time and resources. Our team of experts has 50+ years

**Save time,
energy
and money.**

of experience in kitting, ensuring that your products are assembled to the highest standards.

At UPE we customize every kit to meet your unique needs and requirements. Our electronic component

kitting services cater to a broad spectrum of industries, including aerospace, telecommunications, military and more. We use state-of-the-art equipment and technology to ensure that your kits are assembled with precision and accuracy. Our commitment to customer satisfaction means that we work closely with you to ensure that your needs are met.

We take pride in our attention to detail and our ability to provide cost-effective kitting solutions without sacrificing quality. Your time is a valuable resource—UPE understands what it takes to keep production moving.

**Choose
UPE for all
your kitting
needs.**
